## Chi will be speaking June 27

Sunday, June 27, 10:00am is Mission Sunday at Campus View Church of Christ in Athens, GA. You are invited to worship with Chi and some of Right Steps' Board members and hear the latest update about the work of Right Steps, Inc. from its director, Dr. Chi Ekwenye Hendricks.

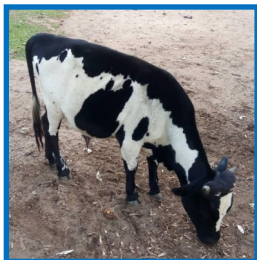

This will be Chi's only public appearance before she returns to Nigeria but our plans are to be able to share more information via videos and an updated website very soon.

## Have you *HERD*?

Friends and family of Henry Price recently celebrated his 90th Birthday in a most unique way! Henry was surprised to learn that in his honor donations were made to Right Steps and Susana Homes to start a new herd.

### Meet "Henry the Bull"

In addition, cows and turkeys will be joining Henry the Bull to increase the herd. They will provide additional sources of food and income for Right Steps and the children at Susana Homes.

If you would like to increase the herd or start your own, contact us at [admin@rightsteps.org](mailto:admin@rightsteps.org).

Dear Wonderful Family and Friends of Susana Homes!

Yes I am here; in God's own country and waiting to complete my vaccinations before venturing out! And yes I am wearing my mask faithfully and so am not a danger to anybody!

And I bring you greetings from all our children—those resident at Susana Homes, those at the Right Steps Christian Schools, those at Church of Christ at Susana Homes, and those in our entire village—Umuahala-Obuzor, ASA! We are all thankful that you are fighting in our corner! And we praise God everyday for using you to rewrite our histories!

I had planned to be here till the end of July and perhaps 2nd week of August. But duty calls and I have to return to Nigeria at the end of June. I had looked forward to visiting in person; and just hugging your neck and because I have so missed you! I spent a total of 17 months in Nigeria and that is the longest I have stayed in Nigeria in the last 33years! And it took its toll on me.

But God is good and since I got here the good doctor—my brother Phill Morris is doing everything he can to make sure I can return with much better health! I am so thankful for the largeness of his heart!

Until I can see you again, remain blessed; and never forget how much you mean to us.
