

PEDRO SANCHEZ REPORT

Hello my dear friends and family, I hope this letter finds you all well. Here is my report about the work God is doing here in the Los Nogales Church of Christ in Santiago, Chile.

January 2024.

-Josh Blackmer is a missionary at the Palm Beach Lakes Church of Christ. He was working as a missionary for 5 years in Paraguay. From there has began to travel to Isla de Pascua (Easter Island) and before the pandemic he contacted us. We were planning a trip to help him with the work he was doing there but unfortunately it was not possible due to the pandemic and they did not allow us access to the island but we kept in touch until today. In January we sent one of our evangelists Raul Diaz to help in the work that is being done there. We agree that we will make 4 trips within the year to continue helping our brother Josh. May God bless Josh and everything he is doing.

Angel Mendible is an 18 year old man who has been training to be an evangelists and his first mission was to send him to Antofagasta for 2 months, to support the evangelist Wilson Vilorio. Thank God he has been doing a great job there

In the month of January I traveled for 2 weeks to Cali, Colombia. The brothers invited me to teach the book of Titus to correct the Deficiency of the churches and establish elders in each congregation I visited. It was a great building and a journey of great blessing.
